About Camp Embers

Camp Embers is an overnight summer camp for boys and girls located in the "heart of the wooded mountains" of Dalat. Camp Embers provides a unique summer camp program of recreation, adventure, creativity and fun. Our goal through these summer camps is for each camper to gain a deeper understanding of him/herself and relationships with other people and the natural world. We aim to provide summer camp memories that can serve as inner resources upon which to build character and future leaders.

We invite you to learn more about CAMP EMBERS - explore our website, email us, or simply give us a call - and join us this summer!
